

WYSA continues to offer this program ONLY for the Under 4, Under 6, and Under 8 Divisions:

PLAY WITH YOUR FRIENDS

You can put together a team of your friends and play together!

Rules:

1. This option is only available in the Under 4, Under 6, and Under 8 Divisions.
2. All "Friends" must register online. Then turn in ONE page with all friends listed. Form must be received in office by registration deadline for the season.
3. One parent/adult family member of the "Friends" must agree to coach, if requested by WYSA.
4. Should a team become so dominant that it is unfair to other teams, WYSA reserves the right to randomly assign the "Friends" to other teams for the next season.
5. When the "Friends" move up into the Under 10 division, the random assignment policy suggested by Kentucky Youth Soccer will be utilized.
6. Maximum number of "friends" assigned to a team will be four. You may have fewer.
7. Any report of unsporting behavior by "friends", or any member of their family will allow WYSA to disband the "friends" and randomly assign them onto other age appropriate teams.
8. "Friends" teams understand and agree that WYSA WILL ask them to volunteer here at WYSA. Failure of a "Friends" group to provide requested volunteers may result in the disbandment of the "Friends" group.
